Sun Belts is a confection leather company founded in 2002 and located in Tangier, in the north of Morocco. We specialize in leather items.

We manufacture a large range of leather belts, bags, wallets, key holders, and many other leather accessories for men and women, always using prime quality leather and keeping an eye on excellent craftsmanship.

Over many years, Sun Belts has earned a reputation for best quality, value, trust and reliability, adapting willingly to our customers' needs in terms of design and final feeling of our products. Our craftsmen bring many years of experience and are renowned for their excellence. We provide clients with an efficient modern production facility meeting strict safety & work standards (which are continually audited) while retaining the unrivalled experience of long term craftsmen in our employment.

We are happy to produce to your designs, provide you with designs or collaborate on your design requirements.

Our production average here is 40,000 belts and 3000 bags per week.

You can always rely on us for capacity as well as quality and competitive prices.
